

Puzzle Hexagonal

Resta C.I. - C.C.

Puzzle Hexagonal

Resta con llevada (dos cifras)

The puzzle consists of a central hexagon surrounded by six other hexagons, forming a larger hexagonal shape. Each edge of the hexagons contains a subtraction problem and its result. The central hexagon has the 'olesur' logo in the middle.

Subtraction Problem	Result
$62 - 49$	13
$94 - 38$	56
$67 - 28$	39
$78 - 49$	29
$85 - 48$	37
$53 - 39$	14
$92 - 17$	75
$76 - 38$	38
$93 - 35$	58
$61 - 47$	14
$83 - 35$	48
$91 - 38$	53

Puzzle Hexagonal

Resta con llevada (dos cifras)

A large hexagonal puzzle grid is centered on the page. The grid is composed of several smaller hexagons. In the center of the grid is a circular logo with the word "olesur" inside. The edges of the hexagons are labeled with subtraction problems and their results. The problems are: $94-38=56$, $67-28=39$, $78-49=29$, $85-48=37$, $53-39=14$, $62-49=13$, $76-38=38$, $93-35=58$, $61-47=14$, $92-17=75$, $83-35=48$, and $91-38=53$.
